Georgetown, CA 95634

I, _____ doing business as _____;
(Business Owner's Name) (Name of Business)

Do hereby certify that there have been no changes to the interior of the structure I plan to occupy at

(Physical Address of Business)

To the best of my knowledge, the business that previously occupied this location was known as

(Previous Business Name)

Signed: _____ Date: _____, 20____
(Business owner's name)

Changes that would require a site inspection include but are not limited to:

- Changes made to building exits (means of egress)
- Movement or separation of any interior walls
- Changes in high-piled storage
- Changes in equipment and chemicals used in the course of doing business
- Changes to the fire sprinkler, alarm system, and/or fixed protection system
- Changes to the electrical panel of a fire protection system(s)
- Changes to the location and/or access to the key safe (KnoxBox©)
- Changes to the location and/or access to the fire hydrant and/or FDC
- Changes to the location and/or access to the fire lanes (gates)
- Changes in storage and/or processes involving hazardous materials/waste
